The event will be held at 2 W. Main Street, Suite 101, Wentzville, MO 63385. The Open House is from 3:30 p.m. to 6:30 p.m. and the Ribbon Cutting ceremony is at 4 p.m.

Start living the life you desire by using the expertise of experienced mortgage lenders at USA Mortgage! Buyers are out in force and competing with one another for house listings. Last month, the median number of days a house was on the market was only 30 days.* In fact, prices are projected to appreciate by 5.0% over the next year.** With low housing inventory, rates near historical lows and proposed changes to the mortgage interest tax deduction, now is the time to consult with a USA Mortgage lender.
